

## **Mike Cegelski**

**Mike Cegelski** presides as Executive Chairman of iBwave and plays a mentoring role in the company's strategic and operational orientations since 2006. Prior to this date, Mike served as the President and CEO of the company for two years. Mike has over 25 years of experience in the Telecommunications and Information Technology industries.

From iBwave's outset, while Mike's founding partners were focusing of the technical aspect of the company, Mike led the business side of operations and built a strong foundation and structured the company to make it ready for future growth. As of today, Mike is still active on the company's strategic planning process and continues to exploit new business opportunities to assure iBwave's continued successful growth.

Self described as a serial entrepreneur, Mike founded and was CEO of Beltron Technologies from 1984 to 2000, a telecom test engineering consulting firm with over 130 employees, which he led to a successful exit in 2000. Shortly after, Mike served as Vice-President of Strategic Development at Mindready Solutions. His extensive experience brought him to accept the responsibilities of President and CEO of Radical Horizon from 2002 to 2003.

Mike holds a Bachelor Degree in Mathematics and Computer Science from 'Université de Sherbrooke' in Canada. Mike also sits on the board of directors of a few private organizations and is actively assisting a few organizations with their executive management.
